In forwarding herewith, a report No C90/46-47 dated 29-4-1947 received from the President, Minor Municipality Mugur on the above subject, I have the honour to state that it is reported by the President, that 6 sweepers have been maintained in the Municipality for conservancy work, the entertainment of 4 of whom having been sanctioned by Government in their order No L 1256-57/ML 2-41-6 dated 9-8-1941 The additional sweepers one on s 8 + ₹2 D A and another on 7-8-0 + 12 D A is stated to have been entertained by the President subsequently in 1943and 1944 with the sanction of the council in order to cope with the increased conservancy work Copy of resolution dated 26-4-1947 is enclosed

The entertainment of these additional 2 sweepers without proper sanction has been the subject of this correspondence This is objectionable under rule 27 E rendering the Municipal council liable to be surcharged for unauthorised expenditure It is said that provision was being made for the extra cost in the budget every year since 1941 and that pending formal sanction of Government, this additional establishment is resolved to be continued

I request in the circumstances that sanction of Government may kindly be accorded to the 2 additional sweepers

sweepers entertained without proper sanction in order to regularise the action taken by the council The attention of the council is drawn to the above mention Rule 27 E

Sir,

Sub: Sanctioning the additional establishment of two sweepers in the Minor Municipality at Nagar (T Narasipur)

I have the honour to forward herewith a report No C 33/46-47 dated 23rd December 1947 received from the President, Minor Municipal Council, Nagar explaining the 3 points raised and in our letter No 2081 dated 5-8-47 under reference. The points raised and the replies furnished are noted below in juxtaposition:

Points raised	Replies
1 Why sanction of Government was not obtained all these years to the entertainment of sweepers in question and to their continuance	Because the President had sanctioned and provisions had been made in the Budget of the years concerned which were sanctioned by this office
2 Under what basis this services were continued so far?	On the above said order of the President appointing the 2 sweepers having been approved by the council later in their resolution dated 25-6-47 to 25-1-48 copies of which are enclosed
3 Could it not be possible to terminate their services?	Not possible to terminate the services as Nagar is a Big town and the existing 4 permanent sweepers are too inadequate to cope with the work and it is because of this difficulty 2 extra hands were entertained on a temporary basis pending sanction

Remarks

The rule that mere provision in the Budget was no authority to entertain even temporarily without competent sanction was evidently lost sight of. I have instructed the President

Present not to repeat the mistake in future

I request in the circumstances the sanction of Government may kindly be accorded to the proposal of the council for having entertained 2 additional sweepers as recommended already in this office letter No D3 C 3602/46-17 dated 3-6-47 , connected papers accompany

I have the honour to be
